What is the LONGEST DAY OF GOLF?

At the break of dawn on June 29th, Matthew Martin Scott Schilling, Luke Schilling, and Ryan Peterson will start swinging toward the goal of playing 200 or more holes of golf in one day. This challenging endurance event will take them about 16 hours to complete and will cover over 44 miles of golf course. This is no walk in the park. Each player will scramble from hole to hole on the Collindale golf course from sunup to sundown in order to raise as much money as possible for our local autism community. Pledges made on a per hole basis will be determined by holes completed by the entire group.

Where are the funds going?

The Autism Society of Larimer County, is a 501 c(3)non-profit, volunteered organization dedicated to the advocacy, support, and education of those living and loving on the autism spectrum. The fundraising for this event will go toward the Tate Schilling Autism Assistance Scholarship. The Autism Society of America estimates the lifetime cost of caring for a child with autism ranges from \$3.5 million to \$5 million with 91% of expenses coming out of the parent's pockets. The Tate Schilling Autism Assistance Scholarship is aimed at supporting parents and individuals with the financial challenges of treating autism. Families & individuals can request assistance for medical supplies, therapies and other treatments.

How can I participate in our pledge program for the Longest Day of Golf?

Collect Pledges

Set a goal for yourself and make a list of everyone you can think of to ask. Estimate how much each person must give to reach your goal. Ask for the specific amount that will attain your goal. Ask others for suggestions of who else you might ask.

You can participate in the fundraising efforts of the Longest Day of Golf by inviting your family, friends, co-workers, neighbors, business associates, fellow students, teachers, local vendor, merchants, your doctor, dentist, lawyer, broker, real estate agent, or just about anyone! Ask in person or via phone, email, letter, or faxes. Pledges can be made in either a flat amount for the event or challenge them to pledge per hole completed.

Matching Contributions!

Remember that if you or your friend work for a company that matches donation you could DOUBLE your donations by applying a Company Match.

To save yourself from having to go back a second time to your donors, we strongly recommend that you collect any donations made on a flat pledge basis at the same time you ask. For those who pledge per completed hole you may collect donations after the event. Keep track of your donors on your pledge form and turn the form in by July 6th, so we can send a personal thank-you letter to the donors.
